PAPERMONEY MULE

Federal Reserve $10 and Silver Certificate $1

(1950) Priest–Humphrey

Friedberg 2011B, 1614

THE SAGA OF THE $11 BILL

39 In the late Spring of 1955 a charming young woman was surprised to note, after a few counts, that there were two different totals in her pay envelope – $120 at times and $111 when the bills were turned over. Close examination ferretted out the culprit, a bill with $10 on the face and $1 on the reverse. Mrs. O'Connor, the heroine of our tale, did a bit of checking, and subsequently received many offers of purchase for the misprinted bill. The bookkeeper who issued the pay envelope offered to take the bill back to the Manufacturer's Trust Co. branch at 221 Fourth Ave. in New York City to exchange it for a "good" bill. This Mrs. O'Connor refused, preferring to hold it as a souvenir. At this writing we know of only two other bills of this kind – one in the Chase Money Museum, and one in the possession of an anonymous Washington, D. C. collector. The face – $10 – is of the Federal Reserve Series 1950A – Priest–Humphrey signatures – Plate D262 – as Friedberg 2011B and Donlon 510–11B (New York District). The reverse – $1 – the printing would then be of plate certificate issue – Friedberg 1614 and Donlon 201–13 – Plate 5905. Face serial #B 52620340D. Obverse is well centered and the reverse is centered a bit to the left and top. EF. **PHOTO ON COVER** ($4500.–5500.)

READ CAREFULLY

TERMS OF SALE

1. Auction sales ARE NOT approval sales. Read these terms carefully. By submitting bids you agree to the terms set forth below. All coins have been classified by experts and while errors will be gladly corrected NO LOT MAY BE RETURNED WITHOUT WRITTEN PERMISSION. Request to return coins MUST BE MADE WITHIN THREE DAYS OF RECEIPT OF COINS.
2. All bids are to be by LOT as numbered in the catalogue. When identical bids are received, preference is given to earliest bidder.
3. This is a UNRESTRICTED PUBLIC AUCTION. All bids are entered as received and highest bidder will be the buyer. Mail bidders may feel free to submit any bid they wish and each lot will be purchased for such bidders at the next highest bid over room bidders.
4. Bidders must establish credit or have on deposit 25% of TOTAL bids.
5. All ACCOUNTS MUST BE SETTLED PROMPTLY IN U. S. FUNDS, or in other currencies if special arrangements have been made.
6. Lots delivered in New York City are subject to 6% Sales Tax. Mail buyers in New York State pay 3% Sales Tax.
7. There will be no charge for executing bids but postage and insurance will be added, and a handling charge for heavy lots.
8. Where estimates are given they represent either the owner's idea of value or our professional opinion as to what they should bring. IN ANY EVENT THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER. We recommend however, if you want the lot, bid close to or over estimate.
9. All lots and coins are guaranteed to be genuine and as described by Mr. Hans Schulman and Herman Steinberg. Photographs are of the actual specimens put up for sale.
10. The buyer who acts as agent for third parties is the only person responsible for his purhases towards the auction house. Third parties refusing to accept coins from the agent are entirely the responsibility of the agent. The auctioneers cannot accept returns from agents because of third parties for any reason whatsoever unless coins were bought with specific special arrangements between the agent and the auctioneers.
11. Lots purchased by floor buyers cannot be returned.
12. Minors' bids are not accepted.
13. In case of dispute the decision of the auctioneer is at all times final.
14. INTEREST WILL BE CHARGED ON UNPAID ACCOUNTS WHICH ARE OVERDUE.

WE SELL 150 LOTS PER HOUR IN THIS SALE.
